SEED JP Newsletter - January 26, 2022

Happy New Year!!

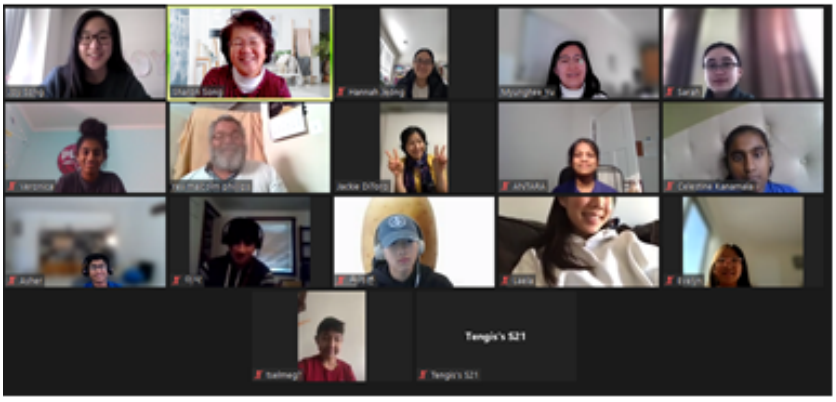

JP youth ended the month of December with Christmas Caroling. It was blessing to us and the hosts. We divided into 2 groups: one went to townhomes occupied by Indian families and the other to homes who signed up for us to come to sing Christmas hymns at their house. So many homes welcomed us. Even neighbors came out to watch our group and gave us treats. Afterwards, ICC donated for each person to eat at Chipotle. JP youth loved Chipotle. We were blessed to share the experiences of God's love with our friends.

Experiencing Covid – Omicron

Many JP students and teachers contracted Omicron. It was mild but takes a long time to completely heal. It caused upper respiratory problems (sore throat, body aches, coughing, and mucus). It was contagious but God protected us and we all ended up with natural immunity. Praise the Lord!! JP continues to meet virtually and carries on with Bible studies and prayers. We are so thankful for Zoom and the technologies we have. We will continue to meet through Zoom. Please check out our website seedjp.org for more information.

How you can join street witnessing & MK tutors: We need you.

God has blessed street witnessing through our leader, P. Lily Cha. Even during this pandemic, God brought faithful people to the street witnessing. Would you like to donate 2 hours of your time to hold God's word, sing hymns, and pray for the people?

Every Wednesday (11-1pm), the Chantilly group meets at the entrance of Lotte in Chantilly. Every Friday, the Fairfax group is street witnessing in Fairfax city (near IHOP). Another group meets in Centreville and Manassas. Please contact P. Lily Cha, if you are interested (703-822-3423). It would be wonderful to see your church getting involved in street witnessing.

Would you like to get involved with a MK (Missionary Kid) in teaching English or improving their English conversationally? JP staff, Teacher Jackie, will help you with more information. This ministry is so important to reach out to the MK's. You would tutor them for 45 min-1 hour for 8 sessions. They are coming from many different countries and through Zoom we can meet them. We provide SAT and grammar classes. However, they need a buddy where they can freely learn to read a book, read Bible, and practice conversation with some topics weekly. T. Jackie will help you if you have questions. Please visit seedjp.org and contact us. We have 3 semesters of tutoring to fill and we need your help. Won't you join our MK tutoring and serve the Lord?

Join the SEED JP Prayer group. We pray for SEED missionaries one hour a week. We pray for missionaries and one another. Jesus prayed in the midst of his busy schedule, and although he was the Son of God, he was faithful to his conversation with his Father. We must always be awake and pray without ceasing for the missionaries, too. Through this prayer meeting, we get to know the missionaries and their needs. Come and join us in prayer.

On May 28-30, SEED JP is planning to have a mini-retreat with a prayer group at the Culpeper retreat center. If God willing, He will make it possible. It will be under 20 prayer warriors. Let's go and shake the heaven!!

If you are interested in supporting my ministry in expanding the kingdom of God, then you may write a check payable to SEED USA and write "Sharon Song" on the memo. Address: SEED USA. P.O. Box 847, La Mirada, CA 90637 USA. For Zelle, use seedfinance@gmail.com and write "Sharon Song" on the memo.

Your partner in Christ,

Sharon Song (Sharon4cha@gmail.com, 703-424-1027/text me first).
